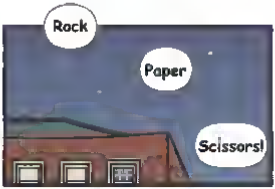
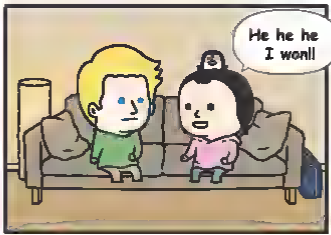
Penguin Loves Mev

In the UK

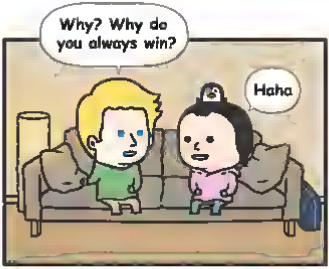
Rock, Paper, Scissors

Sometimes, it happens..



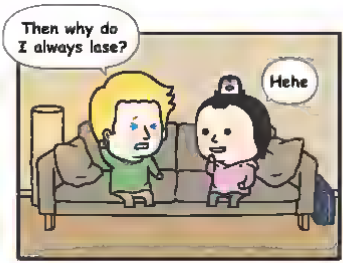


He he he
I won!!

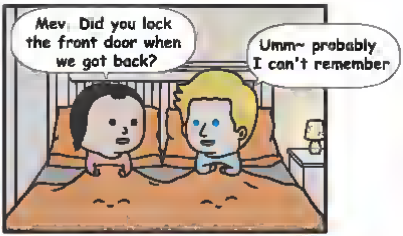


... that one person always wins rock, paper and scissors against another person.

It's not like I have a special skill,...



... but strangly,
I always win against Mev



Mev. Did you lock the front door when we got back?
Umm~ probably I can't remember

Ah, then you must go and check it
You go!

When we have to decide
who is going to do something annoying,...

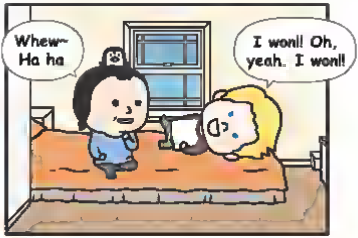
Rock

Paper

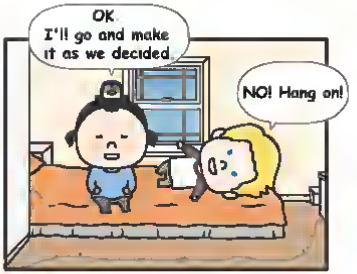
Scissors

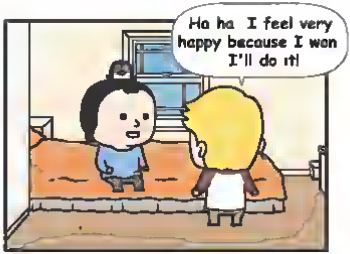
... we normally do rock paper and scissors.

Then if Mev does happen to win,...

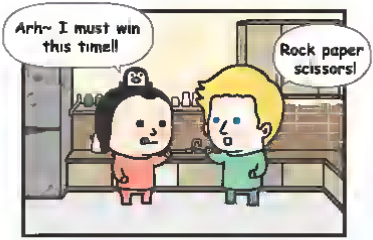


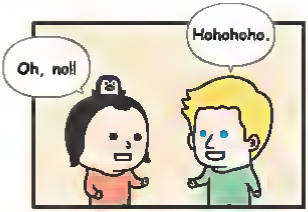
... Mev gets really excited and...



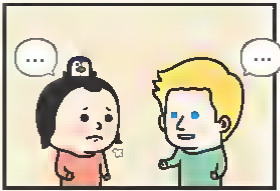


... he does the things
that I'm supposed to do.



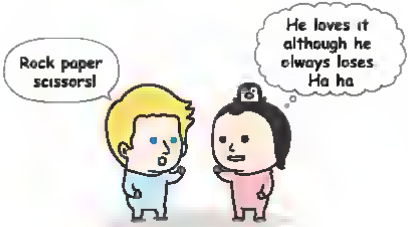


Oh, no!!
Hohohoho.



...
...

Also, it's interesting that my dissapointed face also makes him want to lose the game.

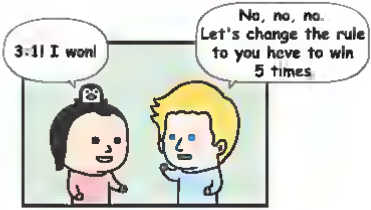


I feel like...
I've finally understand it
better than I did before.

For Mev,
the game isn't about beating me

+

However,
when Mev really really
doesn't want to do something,...



가위 바위 보
가위 바위 보

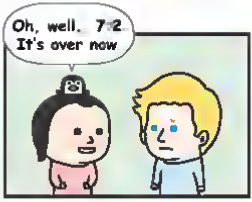
Rock paper scissors!

가위 바위 보

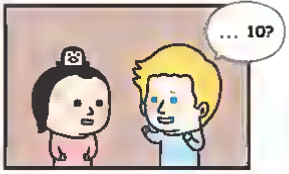
가위 바위 보

가위 바위 보

Rock paper scissors!



Oh, well. 7-2
It's over now



... 10?
